Note that Jiffy-Jell brings you a real-fruit dessert. All the fruit flavors are fruit-juice essences condensed. They come sealed in glass—a bottle in each package—so they keep their fruit-time freshness.

Mark how Jiffy-Jell differs from old-style gelatine desserts. Here you have true-fruit dainties, rich in condensed fruit juices. You get all the delights, all the healthfulness of fruit.

You simply add boiling water—no sugar, no acidity, no color. Then add the fruit-juice flavor from the vial. One package of Jiffy-Jell serves six people in mold form, or twelve if you whip the jell—all for 12½ cents.

For Salads use lime-fruit Jiffy-Jell. It makes a tart, green salad jell. Serve with the salad or mix the salad in before cooling.

For Meat Loaf mix meat scraps into Lime Jiffy-Jell.

For Garnish on cold meats or roast lamb, use Mint Jiffy-Jell.

For Desserts try Loganberry and Pineapple—two of our finest flavors.

## Flu Left Its Trademark

In many of the cases of influenza which occurred during the recent epidemic, the disease left its victim in a weakened condition and often with other ailments. Such was the case of Mr. Joe LeVante, who suffered frequent nervous attacks and was generally run down. He suffered quite a bit from headaches and coughed and spit up nearly every morning. He also had catarrh, which affected his hearing. Mr. LeVante heard of Goldine and went to the drug store for a trial bottle. He will tell you how Goldine takes care of the after-effects of the flu.

Ask S. D. Wilson what he thinks of GOLDINE for kidney trouble.

Goldine is sold in Barre by Cummings & Lewis and all leading dealers throughout this section, including the towns of East Barre, S. Barre, Westerville, Granville, Williamstown, Washington, W. Treadwell and Brookfield.—Adv.
